OUTREACH PROGRAM

SMALL LOCAL EMERGING BUSINESS PROGRAM (SLEB)

The Small, Local and Emerging Business (SLEB) program is designed to enhance contracting and procurement opportunities for small, local and emerging businesses within Alameda County. The program was developed to promote and foster inclusiveness, diversity and economic development, as well as provide on-going evaluation to ensure that all local businesses are provided equal opportunities in County contracting and procurement activities.

To date, Clark Design/Build has contracted with the following fifteen SLEB firms. Clark Design/Build anticipates it will exceed the County's SLEB goals as indicated in the SLEB Participation Chart.

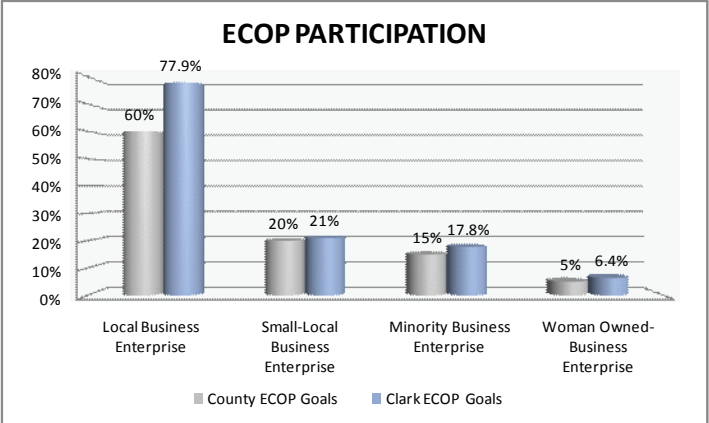

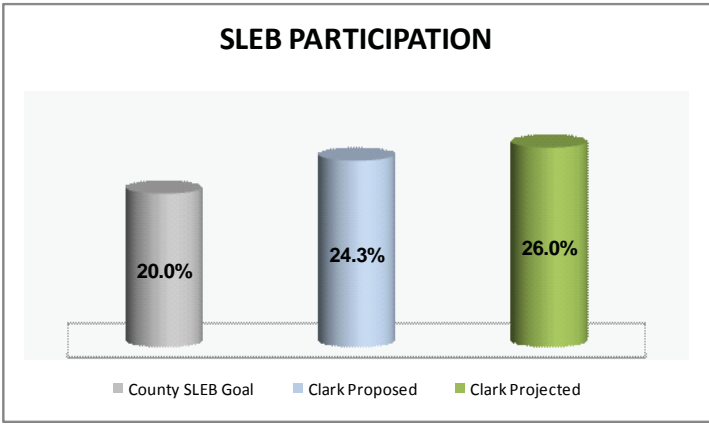

A Squared Ventures - Outreach, **ACC Environmental** - Industrial hygienist, **Acumen Building Enterprises** - Scheduling, **Arbortech Tree Care** - Tree Removal, **Bay Area Structural** - Structural, **Construction Consulting Unlimited** - Outreach, **FW Associates** - Electrical, **Geomatics** - Surveying, **Keller Mitchell & Co** - Landscape Architect, **OLMM Consulting Engineers** - Structural, **Shah Kawasaki Architects** - Architect, **Square Peg** - Signage Consultant, **TEECOM** - Low Voltage, IT/Data, **The Ecologic Studio** - LEED, **Thorburn Associates** - Acoustical

ENHANCED CONSTRUCTION OUTREACH PROGRAM (ECOP)

The Enhanced Construction Outreach Program was developed to support construction contracting opportunities to Alameda County's local (LBE), small-local (SLBE), minority (MBE), and women-owned (WBE) business enterprises.

To date, Clark Design/Build of California has contracted with twenty-five ECOP firms for site mobilization, abatement and demolition work on the SAT site. Clark Design/Build anticipates it will exceed the County's ECOP goals as indicated in the ECOP Participation Chart.
