

# NEIGHBORHOOD UPDATE

HIGHLAND HOSPITAL  
ACUTE TOWER  
REPLACEMENT  
PROJECT

The photo to the left shows the inside of the Specialty Care Clinics Building construction fence. The site is now ready for installation of the foundation to begin.

The photo to the right shows the process of trucking construction debris to recycling centers. Currently, over 1,000 truck loads of dirt and demolition debris have been removed from the construction site and recycled.

## UPCOMING CONSTRUCTION ACTIVITIES

### JULY 2011

- Installation of Specialty Care Clinics Building foundation begins.
- Truck delivery of construction materials continues.
- Trucking of construction debris to recycling center continues.
- Interior demolition of the C, D & F Wings continues.
- Landscape Design Workshop held at Highland Hospital Cafeteria on July 14, 2011 at 7pm. A presentation by the County's design team will explain the impacts to the historic landscape along 14<sup>th</sup> Avenue. Also, the County's landscape architect will describe preliminary landscape plans for the area. The County is committed to lessen impacts on historic landscape and reduce necessary tree removal.

### AUGUST 2011

- Installation of Specialty Care Clinics Building foundation continues.
- Truck delivery of construction materials continues.
- Interior demolition of the C, D & F Wings continues.
- Installation of support structure for the demolition of the C, D & F wings begins.
- Final Supplemental Environmental Impact Report will be issued.

### SEPTEMBER 2011

- Installation of Specialty Care Clinics Building foundation continues.
- Truck delivery of construction materials continues.
- Trenching along Stuart Street for utility installation.
- Interior demolition of the C, D & F Wings continues.
- Installation of support structure for the demolition of the C, D & F wings continues.
- Trenching along 14th Avenue for gas line installation.
- County of Alameda Board of Supervisors meeting to certify the Supplemental Environmental Impact Report held at the County Administration Building, 1221 Oak Street, Oakland, California 94612, on September 13, 2011 at 10am.

On June 3, 2011, the County of Alameda Board of Supervisors held a Groundbreaking Ceremony to mark the start of construction for the Highland Hospital Acute Tower Replacement Project.

The ceremony started with introductions from President of the Alameda County Board of Supervisors, Nate Miley. In attendance were Supervisors Scott Haggerty, Nadia Lockyer and Wilma Chan.

The speakers at the ceremony included, County Administrator, Susan S. Muranishi, President of the Alameda County Medical Center Board of Trustees, Daniel J. Boggan, CEO of the Alameda County Medical Center, Wright L. Lassiter, III, and Director of General Services Agency, Aki K. Nakao.

Speakers emphasized the point made by Susan S. Muranishi, “this project is a symbol of hope, wellness and recovery in this community. It also represents an unprecedented commitment by Alameda County to the health of its residents.”

Supervisor Nate Miley closed the ceremony by stating, “with the prospect of new jobs and by providing state-of-the-art health services, we want to make Highland a hospital of choice that can compete with some of the private hospital facilities in the Bay Area.”
